PROPOSALS OF THE BOARD OF DIRECTORS

Preliminary note:

*The Company contemplates to carry out an international placement of shares (the **Offering**) in view of its admission to trading on Euronext Growth Paris (the **Admission**). The Admission would be in addition to the current listing of ESO shares (formerly designated as VPS shares) on Euronext Growth in Oslo.*

The Board of Directors may adjust or withdraw the following proposals to facilitate the Offering and the Admission and to take into account comments of the Vaud commercial register, Euronext Growth Oslo, Euronext Growth Paris, the Autorité des Marchés Financiers, Euroclear France, and/or the banks syndicate advising the Company in connection with the Offering and the Admission.

*As at the date of this Notice, it is expected that the shares to be traded on Euronext Growth Paris will likely have to be in the form of bearer shares (subject to further discussions with the relevant central securities depositaries). Depending on the requirements linked to the admission to trading in Euronext Growth Oslo and Paris, there could be three situations, i.e. a first situation (**situation A**) where all shares issued by the Company would be in bearer form, a second situation (**situation B**) where the shares would partly be registered shares and partly bearer shares, and a last situation (**situation C**) where all shares would be registered shares. The requirements are expected to be confirmed in the coming days. However, in order to be able to complete the Offering and the Admission before the summer break, subject to market conditions, the Board of Directors has decided to call the EGM and submit to it alternative proposals taking into accounts the three above-mentioned situations. The final proposal of the Board of Directors will be communicated as soon as possible before the EGM.*

	<p>All or part of the new shares will be issued at par value and issued by the banks syndicate or any of its member(s) advising the Company with respect to the Offering and the Admission, acting as underwriter(s) pursuant to an underwriting agreement.</p> <p>The new shares subscribed by the banks syndicate will then be placed in the Offering at the conditions of the Offering approved by the Board of Directors. 2. Conversion of existing registered shares into bearer shares

The Board of Directors proposes to convert all existing registered shares into bearer shares.

Alternative proposal

The Board of Directors proposes to convert up to all existing registered shares into bearer shares. The conversion will be made on the number of shares with respect to which the shareholders have required a conversion on or before the general meeting.

The Board of Directors propose to amend art. 5 of the Articles of Association accordingly.

Note

The purpose of this conversion is to allow the Company and possible shareholders to exchange all or part of their shares into bearer shares (in view of their trading on Euronext Growth Paris). The Board of Directors may withdraw this proposal if it is confirmed that registered shares may be traded on Euronext Growth Paris.

3. Amendments to the Articles of Association

3.1. Introduction of bearer shares and related amendments to the Articles of Association

The Board of Directors proposes to amend the Articles of Association in relation to the introduction of shares in bearer form (*actions au porteur; Inhaberaktien*) as follows:

Version telle que proposée par le conseil d'administration (texte actuel et inchangé en caractères normaux; suppressions en gras, italique et barré; modifications en gras et italique):

des actions nominatives en actions au porteur et réciproquement.

Les actions sont en principe émises sous forme de droits-valeurs simples. Le conseil d'administration peut toutefois décider d'émettre des certificats individuels ou un certificat global.

Les actions sont en principe remises à un dépositaire et inscrites au crédit de comptes de titres (titre intermédiaires).

Les actionnaires renoncent à leur droit d'exiger l'impression ou la délivrance de certificat d'actions pour leurs actions.

Chaque actionnaire L'actionnaire détenteur d'actions nominatives peut toutefois en tout temps requérir de la Société qu'elle émette une confirmation du nombre d'actions nominatives détenues par l'actionnaire requérant, tel que cela résulte du registre des actions.

Les actions nominatives émises sous forme de droits-valeurs simples, y compris les droits liés à de telles actions, se transfèrent uniquement par cession écrite. Une telle cession n'est valable que si elle est notifiée à la Société.

Les titres intermédiaires fondés sur des actions nominatives **ou au porteur**, y compris sur les actions inscrites au Registre **VPS ESO (tel que ce terme est défini à l'art. 7 ci-dessous)** ou auprès de tout autre dépositaire, sont cédées par le débit et crédit de comptes de titres et ne peuvent pas être cédés par cession. Il ne peut non plus être constitué de sûreté par cession sur ces titres intermédiaires.

Les actions nominatives émises sous forme de droits-valeurs simples qui sont inscrites au Registre VPS (tel que ce terme est défini à l'art. 7 ci-dessous) ESO peuvent être mises en gage selon le droit norvégien.

Article 7 – Registre des actions nominatives

La Société tient un registre des actions **nominatives (s'il y en a)** qui mentionne le

The general meeting may, at any time, convert registered shares into bearer shares and vice-versa.

The shares are as a rule issued in the form of simple uncertificated securities. The board of directors is however entitled to issue individual share certificates or a global certificate.

The shares are as a rule delivered to a custodian and credited to securities accounts (intermediated securities).

Shareholders waive their right to demand the printing or delivery of share certificates for their shares. **Each shareholder** The shareholder holding registered shares may however at any time request the Company to issue a confirmation of the number of registered shares held by the requesting shareholder, according to the share register.

Registered shares issued in the form of simple uncertificated securities, including all rights arising thereunder, may be transferred only by way of a written assignment. In order to be valid, such assignment requires the notification to the Company.

The intermediated securities based on registered **or bearer** shares, including shares registered with the **VPS ESO** Register (**as this term is defined in art. 7 below**) or any other custodian, are transferred by the credit and debit of the securities account and cannot be transferred by way of assignment. A security interest in any such intermediated securities also cannot be granted by way of assignment.

Simple uncertificated registered shares, which are registered with the VPS (as this term is defined in art. 7 below) ESO Register may be pledged in accordance with the Norwegian law.

Article 7 – **Share register** Register of registered shares

The Company shall keep a share register of **registered** shares (**if any**) in which the

nom et l'adresse de leurs propriétaires et usufruitiers. Si un actionnaire inscrit change d'adresse, la nouvelle adresse doit être communiquée à la Société. En ce qui concerne les actions *nominatives* enregistrées dans le Registre **VPS-ESO** (*tel que défini ci-dessous*), cette communication pourra intervenir via **le VPS I'ESO**. Tant que l'actionnaire n'aura pas communiqué de nouvelle adresse, toutes les communications seront envoyées valablement à l'adresse inscrite au registre des actions ou, le cas échéant, au Registre **VPS ESO**.

Les acquéreurs d'actions nominatives sont, sur demande, inscrits comme actionnaires avec droit de vote.

Nonobstant ce qui précède, les acquéreurs d'actions peuvent être inscrits dans le registre des actions géré par le dépositaire central norvégien (**Verdipapirsentralen ASA ou VPS Euronext Securities Oslo, ESO, autrefois "VPS"**) et tenu par DNB Bank ASA, Registrars Department, Dronning Eufemias gate 30, 0191 Oslo, Norway, conformément au droit norvégien (le Registre **VPS-ESO**). Les acquéreurs d'actions nominatives inscrites au Registre **VPS-ESO** sont réputés actionnaires avec droit de vote dès leur inscription au Registre **VPS-ESO**. *Par souci de clarté, le présent paragraphe ne s'applique pas aux actions détenues par ou pour le compte de DNB Bank ASA, agissant comme teneur de registre (Registrar) pour le compte de l'ESO.*

Si les actions ne sont plus cotées sur Euronext Growth Oslo ou toute autre plateforme de négociation gérée par Euronext Oslo Stock Exchange, le conseil d'administration peut décider que les actions ne peuvent plus être enregistrées au Registre **VPS-ESO**.

Note:

The aim of the abovementioned amendments is to allow the Company to issue registered and bearer shares. It will give the Company sufficient flexibility in view of the Admission and the requirement that only bearer shares may be traded on Euronext Growth Paris (confirmation pending). The Board of Directors may withdraw this proposal if it is confirmed that registered shares may be traded on Euronext Growth Paris.

owners and usufructuaries shall be entered with their names and addresses. If a registered shareholder changes his address, the new address must be communicated to the Company. For *registered* shares registered with the **VPS ESO** Register (*as defined below*), such communication may be made through the **VPS ESO**. As long as such communication has not been done, all notices by letter will be sent validly to the address entered in the share register or, if applicable, in the **VPS ESO** Register,

Acquirers of registered shares shall upon application be registered as shareholders with the right to vote.

Notwithstanding the foregoing, acquirers of shares may be entered in the register with the Norwegian central securities depository (**Verdipapirsentralen ASA or the VPS Euronext Securities Oslo, ESO, formerly "VPS"**), which is kept by DNB Bank ASA, Registrars Department, Dronning Eufemias gate 30, 0191 Oslo, Norway, in accordance with Norwegian law (the **VPS ESO** Register). Acquirers of registered shares recorded in the **VPS-ESO** Register are considered as shareholders with voting right as soon as they are recorded with the **VPS-ESO** Register. *For the sake of clarity, this paragraph does not apply to shares held by or on behalf of DNB Bank ASA acting as Registrar of the ESO.*

If the shares cease to be listed on Euronext Growth Oslo or any other trading venue by the Euronext Oslo Stock Exchange, the board of directors may determine that the shares shall no longer be registered with the **VPS ESO** Register.

Furthermore, the Board of Directors proposes to amend article 7 of the Articles of Association to reflect the current structure implemented to facilitate the trading on Euronext Growth Oslo. In the current situation, the ESO shares (formerly VPS shares) are traded on Euronext Growth Oslo. The ESO shares represent the economic interest of the (Swiss) registered shares. The registered shares are held of record held by or on behalf of a Norwegian Registrar, i.e. DNB Bank ASA or its custodian. The holders of ESO Shares have therefore only a beneficial (and indirect) interest in the corresponding registered shares and are not considered as direct shareholder. The ESO Register therefore only contains the names of holders of ESO Shares and is not considered as a share register per se. The situation may change in the future if the Company opts for a direct registration of the shares with the ESO in lieu of the depository structure currently in place. In such case, the ESO Register would be considered as a sub-share register. The current Articles of Association already provides for such set-up, which would become effective as soon as the registered shares are directly registered with the ESO Register and not through the current depository structure.

3.2. Amendments to the authorized capital

The Board of Directors proposes to (i) increase the authorized capital in an amount of CHF 81 067.04 from CHF 117 237.50 to CHF 198 304.54, (ii) extend its term, (iii) amend the conditions on which the Board of Directors may cancel or limit the preferred subscription rights and accordingly (iv) adopt a new article 5bis as follows:

Version telle que proposée par le conseil d'administration (texte actuel et inchangé en caractères normaux; suppressions en gras, italique et barré; modifications en gras et italique):

Article 5bis – Capital-actions autorisé

Le conseil d'administration est autorisé à augmenter le capital-actions comme suit:

Une augmentation du capital-actions en plusieurs tranches est autorisée.

An increase of the share capital in partial amounts shall be permitted.

Le conseil d'administration fixe la date d'émission des actions nouvelles, leur prix d'émission, la manière de les libérer, ainsi que les conditions d'exercice du droit préférentiel de souscription et l'époque à compter de laquelle les actions nouvelles donneront droit au dividende. Le conseil d'administration peut laisser se périmer les droits de souscription préférentiels qui n'ont pas été exercés; il peut également vendre aux conditions du marché ces droits et/ou les actions liées aux droits de souscription préférentiels accordés mais non exercés, ou les utiliser dans un autre but conforme à l'intérêt de la Société.

Le conseil d'administration peut limiter ou supprimer les droits de souscription préférentiel des actionnaires: (i) pour l'octroi aux banques impliquées dans le placement d'actions d'une option de surallocation (greenshoe), (ii) pour l'acquisition d'entreprises, de parties d'entreprises ou de participations ou pour réaliser de nouveaux investissements ou (iii) pour le placement d'actions nouvelles sur les marchés internationaux des capitaux par voie d'offre au public ou de placement **privé auprès de clients professionnels** au prix qui résultera de la construction du livre d'ordre (*bookbuilding*) **ou (iv) dans le but d'intéresser au capital un ou plusieurs partenaires stratégiques ou d'étendre le cercle de l'actionnariat dans certains marchés financiers ou (v) dans le but d'intéresser les employés, les administrateurs ou les consultants de la Société ou de ses filiales conformément au(x) plan(s) d'intéressement adopté(s) par le conseil d'administration ou (vi) dans le but de lever des capitaux de façon rapide et flexible, dans le cas où cela ne pourrait pas être réalisé sans exclure les droits de souscription préférentiels légaux des actionnaires actuels.**

Les droits de souscription préférentiel des actionnaires sont supprimés, jusqu'à un maximum de 7 500 000 nouvelles actions à émettre sur la base de ce capital-actions autorisé, dans le but d'émettre des actions aux

The board of directors sets the date of the issuance of new shares, the issue price, the type of payment, the conditions for the exercise of the preferred subscription rights and the beginning date for dividend entitlement. The board of directors may permit preferred subscription rights that have not been exercised to expire or it may place these rights and/or shares as to which preferred subscription rights have been granted but not exercised, at market conditions or use them for other purposes in the interest of the Company.

The board of directors is authorized to restrict or exclude the preferred subscription rights of shareholders and allocate such rights to third parties if the shares are to be used (i) for granting to the bank(s) implied in a placement of shares of an overallocation option (greenshoe), or (ii) for the acquisition of enterprises, parts of an enterprise, or participations or for making new investments; or (iii) for placing new shares on international capital markets through public offering or private placement **with professional clients** at the price that will result from the bookbuilding; **or (iv) for the purpose of the participation of strategic partners or for expanding the shareholder base in certain capital markets, or (v) for the participation of employees, directors or consultants of the Company or its subsidiaries in accordance with incentive plan(s) set up by the board of directors; or (vi) or for the purpose of a quick and flexible procurement of equity capital that could not be procured if the preferred subscription rights of the current shareholders had not been cancelled.**

The preferred subscription rights of the shareholders are cancelled, up to a maximum of 7 500 000 shares to be issued on the basis of this authorized share capital, for the purpose of issuing new shares to the shareholders of Hiber B.V.,

actionnaires d'Hiber B.V., ayant son siège à Amsterdam (Pays-Bas), dans le cadre de la quasi-fusion d'Astrocast SA et de Hiber B.V. réalisée par le biais d'un échange des actions d'Hiber contre des actions d'Astrocast. Le conseil d'administration peut supprimer ou restreindre les droits de souscription préférentiels des actionnaires pour le même motif dans la mesure où le nombre d'actions à émettre aux actionnaires d'Hiber B.V. excède 7 500 000 actions.

with registered office in Amsterdam (Netherlands) pursuant to the quasi-merger of Astrocast SA and Hiber B.V. by means of an exchange of Hiber shares against Astrocast shares. The board of directors may cancel or restrict the preferred subscription rights of the shareholders for the same reason to the extent that the number of shares to be issued to the shareholders of Hiber B.V. exceeds 7 500 000 shares.

Note:

The increase of the authorized capital is justified (i) to allow the extension of the Offering and/or the exercise of an overallotment option (greenshoe) in the context of the Admission and (ii) to give the Board of Directors sufficiently flexibility to issue new shares, notably in view of future capital raise, acquisitions of enterprises and/or the participation of strategic partners, for expanding the shareholders base in certain markets and for the participation of employees, directors or consultants of the Company or its subsidiaries.

The Company and Hiber B.V., a Dutch company having its registered office in Moermanskade 600, 1013 BC Amsterdam, The Netherlands, have agreed to carry out a quasi-merger in order to notably enhanced their commercial activities and foster satellite IoT adoption. In this respect, it is planned that Astrocast SA will takeover all shares in Hiber B.V. in exchange of new shares to be issued by Astrocast SA. As the case may be, the new shares of Astrocast SA will be issued on the basis of the authorized capital and the preferred subscription rights will be cancelled to the extent necessary.

Furthermore, the Board of Directors may amend its proposal and replace the bearer shares by registered shares depending on the requirements applicable in connection with the Admission and the current listing on Euronext Growth Oslo (confirmation pending).

3.3. Increase of the conditional capital (option)

The Board of Directors proposes to increase the conditional capital in an amount of CHF 38 475 from CHF 15 525 to CHF 54 000 and to amend article 5ter accordingly as follows:

Version telle que proposée par le conseil d'administration (texte actuel et inchangé en caractères normaux; suppressions en gras, italique et barré; modifications en gras et italique):

Article 5ter – Capital-actions conditionnel (droits d'option)

Le capital-actions peut être augmenté comme suit :

Le droit de souscription préférentiel des actionnaires est exclu.

to be fully paid in, by the exercise of option rights granted to employees, directors, managers, members of the advisory board and/or consultants of the Company and/or of group companies, in accordance with one or several incentive plan(s) set up by the board of directors.

The preferred subscription rights of the shareholders are cancelled.

Note

The increase of the conditional capital aims at allowing the grant of additional options to existing and new Board members, employees and consultants of the Company and its subsidiary(ies) and is in line with the planned development of the Company.

Furthermore, the Board of Directors may amend its proposal and replace the bearer shares by registered shares depending on the requirements applicable in connection with the Admission and the current listing on Euronext Growth Oslo (confirmation pending).

3.4. Increase of the conditional capital (debt)

The Board of Directors proposes to increase the conditional capital (loans with conversion or option rights and other financial instrument) in an amount of CHF 42 592.04 from CHF 101 712.50 to CHF 144 304.54 and to amend article 5ter accordingly as follows:

Article 5quater – Capital-actions conditionnel (prêts convertibles ou à options et autres instruments financiers)

à libérer entièrement par l'exercice de droits d'option et/ou de conversion attribués aux actionnaires de la Société et/ou en relation avec l'émission par la Société ou par une société du groupe d'obligations ou de tout autre instrument financier. En cas de telles attributions de droits d'option et/ou de conversion, les droits de souscriptions préférentiels des actionnaires sont exclus. Les détenteurs de droits d'options et/ou de conversion ont un droit de recevoir les nouvelles actions. Le conseil d'administration détermine les termes des droits d'option et/ou de conversion.

Le conseil d'administration peut limiter ou supprimer les droits de souscription préalables (*Vorwegszeichnungsrechte*) (i) si une obligation ou tout autre instrument financier et/ou des droits de conversion ou des warrants sont émis dans le but de financer ou refinancer l'acquisition d'entreprises, de parties d'entreprises, ou de participations, ou de réaliser de nouveaux investissements, ou (ii) si une obligation ou tout autre instrument financier et/ou des droits de conversion ou des warrants sont offerts sur les marché des capitaux nationaux ou internationaux avec une souscription ferme par une institution bancaire ou un consortium bancaire comprenant une offre subséquente au public ou (iii) si une obligation ou tout autre instrument financier et/ou des droits de conversion ou des warrants sont offerts afin de lever des capitaux de façon rapide et flexible, dans les cas où cela ne pourrait être réalisé sans exclure les droits de souscriptions préalables des actionnaires. Si les droits de souscription préalables sont

to be fully paid in, by the exercise of option and/or conversion rights which are granted to the shareholders of the Company and/or in connection with the issue of bonds or other financial instruments by the Company or another group company. In the case of the issue of bonds, similar obligations or other financial instruments linked with option and/or conversion rights, the preferred subscription right of shareholders is excluded. The board of directors shall be authorized to restrict or exclude the prior subscription rights of shareholders (*droit de souscription préalables; Vorwegszeichnungsrechte*) (i) if the debt or other financial instruments issued with conversion rights or warrants are for the purpose of financing or refinancing of the acquisition of enterprises, parts of an enterprise, or participations or new investments or (ii) if such debt or other financial instruments are issued on the national or international capital markets and for the purpose of a firm underwriting by a banking institution or a consortium of banks with subsequent offering to the public or (iii) if such debt or other financial instrument and/or conversion rights or warrants are issued for raising capital in a fast and flexible manner, which would not be achieved without the exclusion of the prior subscription rights of the existing shareholders. If the prior subscription rights are excluded by the board of directors, the following shall apply: the issuance of convertible bonds or warrants or other financial market instruments shall be made at

Les droits de conversion et les warrants peuvent être exercés pendant 10 ans au plus à compte de leur date d'émission.

Note:

The increase of the conditional capital (debt) aims at facilitating the raise of debt financing by allowing the Company to grant options or conversion rights backed by conditional capital.

Furthermore, in lieu of bearer shares, the Board of Directors may propose to issue registered shares depending on the requirements applicable in connection with the Admission and the current listing on Euronext Growth Oslo (confirmation pending).

3.5. Other amendments
