The Board of Director's Notes on the Proposed Amendments to the Articles of Association

The revised Swiss stock corporation law entered into force on 1 January 2023. The aim of the revision is to modernize Swiss company law, strengthen shareholder rights, create more flexibility with regard to the capital structure and simplify the possibilities for holding general meetings. Companies must amend their articles of association within two years of the revised stock corporation law's entry into force.

The revised version of the articles of association below shows in a comparative version the proposed amendments which mainly formally implement the revised Swiss stock corporation law and individually explains the amendments proposed by the board of directors to the general meeting.

I. CORPORATE NAME, PRINCIPAL OFFICE, DURATION AND PURPOSE OF THE COMPANY		
Art. 1	Corporate Name, Principal Office and Duration	
	[no amendments]	
Art. 2	Purpose	
	[no amendments]	
II. SHARE CAPITAL AND SHARES		
Art. 3a	Share Capital and Shares	
	[no amendments]	
Art. 3b	Conditional Share Capital for Bonds or Similar Debt Instruments	
	The share capital of the Company shall be increased by a maximum amount of CHF 90'000.00 180'000.00 through the issue of a maximum of 900'000 1'800'000 registered shares, payable in full, each with a nominal value of CHF 0.10 through the exercise of conversion and/or option rights granted in connection with bonds or similar instruments, issued or to be issued by the Company or by subsidiaries of the Company, including convertible debt instruments. The maximum number of registered shares that may be issued pursuant to this paragraph 1 shall be reduced to such extent as the Board of Directors issues registered shares pursuant to Art. 3d para. 1 (Authorized Share Capital). The exercise of the option rights and the waiver of such right shall be made in writing on paper or in electronic form	The share capital shall be increased from CHF 90'000.00 to CHF 180'000.00 to provide the Company the flexibility for debt related financing.
	Shareholders' subscription rights for these shares are excluded. Shareholders' advance subscription rights with regard to the new bonds or similar instruments may be restricted or excluded by decision of the Board of Directors in order to finance or refinance the acquisition of companies, parts of companies or holdings, or new investments planned by the Company, or in order to issue convertible bonds or similar instruments on the international capital markets or through private placement. Art. 14 Conduction

The General Meeting may be held simultaneously at different locations. In this case, the votes of the participants must be transmitted directly in sound and vision to all meeting locations.

The Board of Directors may provide that shareholders who are not present at the place of the General Meeting may exercise their rights electronically (hybrid General Meeting).

A General Meeting may be held by electronic means without a venue (virtual General Meeting).

The Board of Directors shall regulate the use of electronic means. It shall ensure that:

- the identity of the participants is established;
- the votes at the General Meeting are transmitted directly;
- each participant can submit motions and take part in the discussion; and
- the voting results cannot be falsified.

If technical problems arise during a General Meeting by electronic means with the result that the general meeting cannot be duly conducted, the meeting must be held again. Resolutions that the General Meeting has passed before the technical problems arise remain valid.
